GREENE GENEALOGY RECEIVES LITERARY AWARD

The Scully-Greene-Dunn Family Association is proud to announce that **The Descendants of Edward and Esther (Lalor) Greene of Stradbally Parish, Queens County, Ireland and Middletown, CT** was awarded **FIRST PRIZE** in the 1998 Connecticut Society of Genealogists' Literary Awards Contest - Family History Division. The award was presented to Thomas P. Langdon and Regina Woltmann at the Annual Meeting of The Connecticut Society of Genealogists held at the Hawthorne Inn in Berlin, CT on May 16, 1998 (see next page). In addition to the first prize recognition, the Scully-Greene-Dunn Family Association received a \$250.00 check from The Connecticut Society of Genealogists, which will be deposited into the family association's tombstone preservation fund to restore Edward and Esther Greene's tombstone. A total of 24 books were submitted to the Literary Awards Contest this year.

According to the review Committee, "This superb book (with large print) is a remarkable blending of the history of the Middletown, CT area and the travails of a couple who, in their early sixties, accompanied by their six children, emigrated from Ireland in the mid-1800s. Over eleven hundred descendants are recorded in this book." The Connecticut Society of Genealogists' July/August 1998 Newsletter will contain a listing of all twenty-four books submitted for this year's contest, and the September 1998 issue of The Connecticut Nutmegger will contain detailed book reviews of all books considered in this year's literary awards contest.

There are a limited number of copies of **The Descendants of Edward and Esther (Lalor) Greene of Stradbally Parish, Queens County, Ireland and Middletown, CT** still available for those who have not yet purchased a copy. All proceeds from the sale of the book will be dedicated to the restoration of Edward and Esther Greene's tombstone located in St. John's Cemetery, Middletown, CT. An order form for the book is located at the back of this newsletter.

This Genealogy could not have been completed without your contributions and help. With your continued support, the Family Association hopes to publish comparable genealogies on the Dunn and Scully Families.

President Clinton's Greeting to Reunion Attendees

At the reunion last year, Family Association President Thomas P. Langdon read a greeting from President Bill Clinton. Unfortunately, due to the public address system, only those individuals under the pavilion heard the letter. Several family members asked that the letter be printed in the newsletter - so - here it is!

THE WHITE HOUSE
WASHINGTON

June 10, 1997

Greetings to everyone gathered for the Scully-Greene-Dunn family reunion.

The family unit is the cornerstone of our society. When families thrive and flourish, each generation better prepares the next to make its mark in the world. Your celebration is a reminder of the strength that comes from unity. I hope that you all will enjoy being together, taking pride in one another's accomplishments.

Best wishes for a wonderful reunion and for every future happiness.

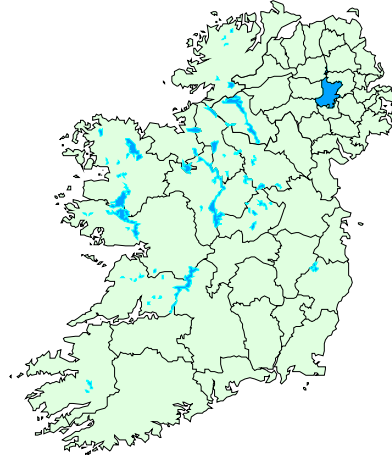

Family History Trip to Ireland Being Planned

At a past meeting of the Family Association, the prospects of sponsoring a Family History Tour to Ireland was discussed, and received an enthusiastic response from those attending. Since then, many family members have inquired when the trip will take place.

Our cousin, Rick Synnott, of A & S Travel, Inc., has agreed to plan the tour, and details will be forthcoming. We have not set an exact date yet, but are considering June 1999 for the trip. The trip will include a tour of Queens County (now called County Laois) Ireland, the homeland of the Scully-Greene-Dunn Family, and particularly the parishes of Stradbally, Ballyadams, and Maryborough (now called Portlaoise). Areas of historical interest to the family will be identified. In addition, the tour will include many of the tourist attractions around the Emerald Isle.

Interest is growing in this trip, and several family members have already expressed an intent to join us. If you are interested in

embarking on a Family History tour to Ireland, **PLEASE LET US KNOW BY SENDING IN THE RESPONSE FORM ATTACHED TO THIS NEWSLETTER.** A meeting will be scheduled in September for interested parties. Details of the time and place of the meeting will be included in the next newsletter.

Portland Historical Society offers a Piece of Local and Family History

Upon their arrival in the United States, many of our immigrant ancestors found employment in the Portland Brownstone Quarries. For instance, Patrick Greene, a son of Edward and Esther Greene, worked in the quarries for 44 years, until a week before his death. Patrick's brother, Bartholomew, and Patrick Conway (husband of Anne Scully) also worked in the Quarries. The Portland Historical Society is selling a desk-top pen holder made of the same brownstone quarried by our ancestors. All proceeds from the sale will benefit the Portland Historical Society's new museum. The Portland Historical Society is a non-profit organization dedicated to the preservation of Portland's history. Consider purchasing a piece of Portland - and family - history. Buy a desk pen and holder for \$20 from the Portland Historical Society today. Checks should be made out to the Portland Historical Society, care of Charles Woltmann, 19 East Main Street, Portland, CT 06480. We will arrange to mail or drop off your pen set to you upon receipt of your order.
