Our sincere thanks are due to those who so generously assisted us in ascertaining the many dates which were necessary to complete this Genealogy of the Family.

The following dates have been accurately compiled, to The Best Of Our Knowledge.

Anne Scully Cronin                      President

Mary V. Robinson                      Secretary

Mary T. Scully                      Edward J. Greene  
Permanent Members Advisory Committee

Without intention of compiling an historical document of any vast importance, but solely for the interest of the members of the Scully-Greene family - these genealogical records, from 1808 to 1927 are here presented for the first time.

The real genealogy begins with the emigration of the family from Ireland to America, and the emigrant ancestors are numbered as the first generation, their children as the second generation, etc.

Roman numerals (I, II, III, etc.) designate the first generation.

Upper Case letters (A, B, C, etc.) designate the second generation.

Arabic numerals (1, 2, 3, etc.) designate the third generation.

Lower Case letters (a, b, c, etc.) designate the fourth generation.

Arabic numerals enclosed in parenthesis (1), (2), (3), etc. designate the fifth generation.

The following abbreviations have been used:-

C. W. V.	-	Civil War Veteran
N. D.	-	No Date Known
Mar.	-	Married

C Before a date means about (as C 1869 - About 1869
